- Some seating will be available along the perimeter of the event but testing is not visible from seated areas.
- Parents attending with students must supervise them at all times.
- Please allow students to stand at the front of the line in order to watch the testing of their school's bridges.
- Please do NOT touch any bridges prior to testing.
- The top three teams in each scoring category will be announced as quickly as possible following the completion of all testing
- Sales of t-shirts will be cash, check, or credit card.
- All staff at the event are volunteers. If there are any questions or concerns about the testing or rules, please direct them to the volunteer coordinator.
