Presentation:

Connecting the Office to the Field Through Drones & Site Marker

Presented by Whit Dawson, PLA and Landon Messal, P.E.

In this presentation Whit Dawson, PLA and Landon Messal, PE will show you how SeamonWhiteside is teaming up with Site Marker to bridge the gap between the field and the office starting from the master planning phase through construction to close-out. Whit Dawson will showcase a project where Drone Technology and 3D Modelling were used to deliver better projects faster for clients. Site Marker is a map based tool to collect data in the field. Landon Messal will showcase a number of projects where Site Marker was a pivotal tool for delivering the project on time and below cost.
