Presentation: Retaining Walls for Site/Civil Engineers

Presented by Kristen Hill, P.E., P.G. (S&ME)

Kristen Hill is a registered professional engineer and professional geologist with over 25 years of experience. As Regional Director of South Carolina and Georgia, Kristen provides leadership to drive growth, client development strategies, and strategic direction objectives of the organization while offering integrated services to nationwide and regional clients. Her project work experience includes geotechnical and construction materials testing and inspection projects in the Industrial, Commercial, Water/Wastewater, Healthcare, Education, Transportation, and Energy markets with emphasis on slope stability analysis, wall analysis/design, and pavement design. In 2013, Kristen received the Honors Engineering Excellence award for the UNC Charlotte 49ers Football Stadium from ACEC of NC.
