Infrastructure Spending (12PM-1PM)

Presented by Justin Reginato, Ph.D., P.E.— Associate Vice President, Facilities Management, CSU-Sacramento

Justin Reginato Ph.D, P.E. is the Associate Vice President of Facilities Management at California State University, Sacramento. Since joining the department in 2016, Facilities Management has managed over \$500 million in design and construction and master planning for two satellite campus locations. Prior to Facilities Management, Justin was an associate professor in Sac State's Department of Construction Management. In 2016 he was the recipient of the AGC Education and Research Foundation Outstanding Educator Award. While Justin feels fortunate to be a Hornet, he bleeds blue having received his B.S. in Geological Engineering from the University of Nevada, Reno and his Ph.D. in Construction Engineering and Management for the University of California, Berkeley. Justin is a regular speaker and commentator on the economics of the design and construction industry.
