May Branch Meeting

Date: May 23rd

**BUNNELL
LAMMONS
ENGINEERING**

Time: 11:45 am to 1:00 pm*

Location: ReWa Discovery Lab
[564 Mauldin Rd, Greenville, SC 29607](#)

Presentation: Geology 101 for Solid Waste Landfills

Presented by TJ Daniel, P.G.

Join us for a presentation on the geologic and hydrogeologic processes required for the permitting of Municipal Solid Waste (MSW), Construction and Demolition (C&D), and Coal Combustion Residual (CCR) landfills in the southeast. This presentation will cover the basics of landfill design, hydrogeologic investigations, monitoring well installations, and environmental compliance.

Mr. Daniel is a Project Geologist and licensed Professional Geologist and has been with BLE for 5 years with experience in performing well installations, alternative source demonstrations, karst investigations, and hydrogeologic evaluations for solid waste landfills and hard rock quarries. Mr. Daniel has aided in or led the performance of hydrogeologic evaluations for more than fifteen (15) MSW, C&D, and CCR landfills in the southeast.

Meeting Cost:

With Lunch:

\$12 for Members
\$17 for Non-Members

Without Lunch:

\$5 for Members
\$10 for Non-Members

**Attendees must register by 4pm the day before the meeting to be guaranteed a lunch & seat.*
