Update on SC Licensure during COVID-19 Pandemic

Presented by Dr. John Peeples, PhD, P.E.— Chair, SC Board of Registration for Professional Engineers and Land Surveyors

Dr. Peeples served as The Citadel ECE Department Head for 12 years and as the President of ECEDHA, the North American Electrical and Computer Engineering Department Head Association in 2015. Effective January 1, 2015, he was appointed by Governor Nikki Haley to serve on the South Carolina Board of Registration for Professional Engineers and Land Surveyors. In this capacity Dr. Peeples helps develop and promote legislation governing the engineering profession, and with his fellow board members adjudicates disciplinary cases concerning the profession of engineering.
