The poster features a light orange background with a dark blue border. At the top, a row of dark blue bat silhouettes is arranged in a slightly wavy pattern. Below this, there are clusters of three orange four-pointed stars. The text is centered and uses a mix of dark blue and orange colors. Two dark blue skeletons are positioned on the left and right sides, with their arms raised. On the left and right sides, there are vertical lines with two dark blue spider silhouettes hanging from them. At the bottom, there are more clusters of three orange four-pointed stars.
