Lucky Lemon Paper Co

Branch Meeting

Date: Tuesday, March 25th

Time: 11:45am - 1:00pm

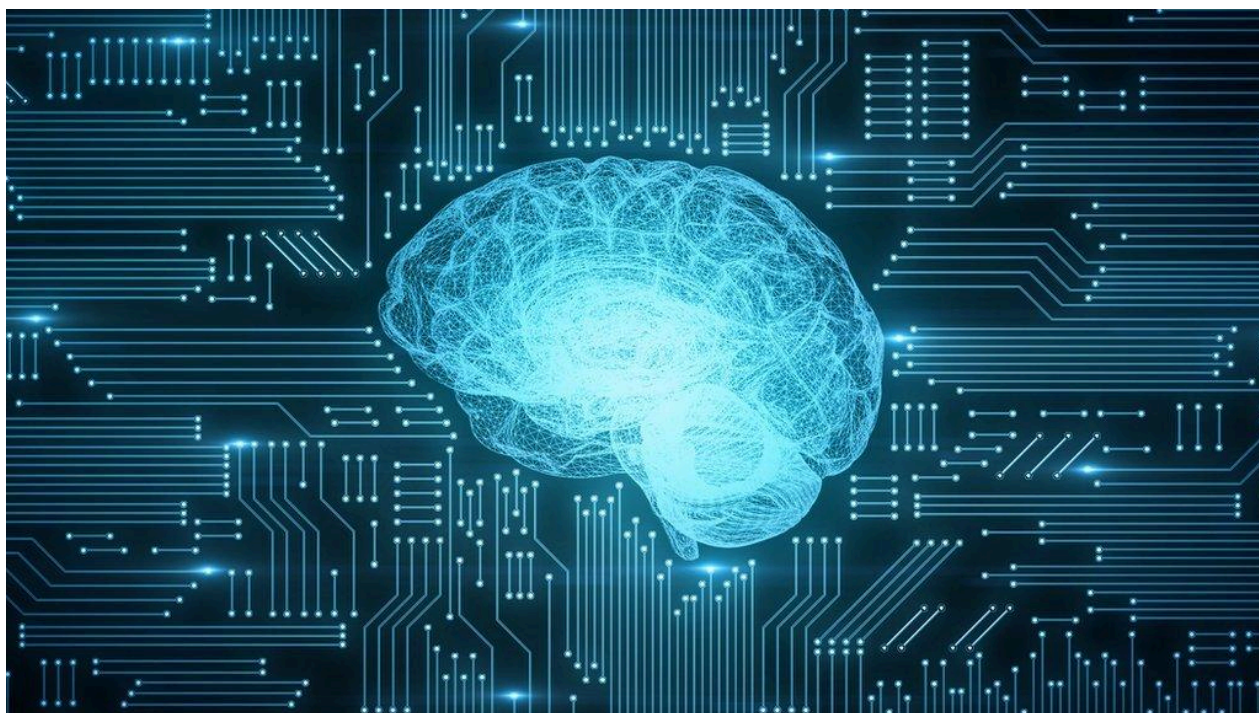

Location: ReWa Discovery Lab

564 Mauldin Rd, Greenville, SC 29607

Presentation:

"The Power of GenAI: an Intro for Engineering Firms"

Speaker: Cameron Duncan

The goal of this talk is to help listeners gain a conceptual understanding of Generative AI (ie, tools like ChatGPT) and the underlying principles of the technology. We will talk through how the technology can be applied to various

engineering disciplines and why it makes sense for Engineers to pay attention. We will cover how GenAI works, what it can do, techniques to apply it in various engineering-related tasks, and risks and concerns with the tech. Lastly, we will cover how the tools and techniques learned can empower the entire firm, not only individual engineers.

Cameron Duncan is a seasoned professional with 14 years of experience in the manufacturing industry, spanning Automotive, Power Generation, and Electric Vehicles. He has held a variety of leadership roles throughout his career and previously served as Chief of Staff at Proterra, a publicly traded Electric Vehicle company. Currently, Cameron is focused on exploring the revolutionary potential of Generative AI in businesses as the co-founder of Hallian Technologies, a Greenville-based software development company.

Cameron has two degrees from Clemson University: Civil Engineering and a Masters in Business Administration

Meeting Cost:

With Lunch:

\$20 for Members

\$25 for Non-Members

Without Lunch:

\$7 for Members

\$12 for Non-Members

RSVP: [Click here to Register!](#)

** Registration Platform, Thrive, Requires an ASCE Login, but does not require you to be an ASCE member.

You **do not need** a PayPal account to register:

Select "Check Out with PayPal"

This will prompt you to enter your card details

We prefer all payments be made this way.

** Attendees must register by 4PM the Sunday before the meeting to be guaranteed a lunch and a seat.

** If you are attending the Monthly Branch Meetings, please park in the **NEW UPPER** parking lot. Please see below for map.

Upcoming Events

March 20th - [Design Build Greenville Networking at Double Stamp](#)

Sponsor ASCE:

Interested in sponsoring an ASCE Upstate Monthly Luncheon?

We offer two \$150 sponsorships per luncheon!

Each sponsorship includes; your company logo and name listed as our lunch sponsor on the newsletter and at the luncheon; an ad in the newsletter; a three to four minute speaking opportunity at the luncheon, and two attendees.

Interested in advertising your currently open roles?

For a \$200 sponsorship, your company will be able to advertise two concurrent postings on our website and newsletter for the year!

Email [Matt](#) to express interest or for more information.

Job Postings:

[ADC ENGINEERING - CIVIL PROJECT MANAGER](#)

Are you or someone you know interested in presenting a project, technology, or other topic at our monthly meetings and receiving 2 PDHs?

If so, let us know!

Email [Elly](#) to express interest or for more information.

Are you interested in joining the Younger Member Committee?

If so, let us know!

Email [Jake](#) to express interest or for more information.
